Popa & Associates, PC Specializes in Small & Mid-Size Businesses

Popa & Associates, PC knows how difficult it is to grow and maintain a business. Our CPAs' goal is to ease your administrative burden to allow you to focus on what you do best—running your business. We offer a full range of accounting, tax and consulting services tailored to your business's unique needs, including:

- **New Business Set-Up** — our staff attorney will help you incorporate your business, obtain an EIN, develop by-laws and create operating agreements.
- **Financial Statements** — our CPAs will prepare your financial statements and help you understand them so you can make sound fiscal decisions for your business.
- **Bookkeeping** — we'll set up a professional accounting system that you can easily maintain and we'll assist with your accounts receivable, accounts payable, payroll processing and bank reconciliations.
- **Tax Planning & Preparation** —we'll help you utilize all available opportunities to defer income, maximize deductions and reduce taxes. Our team will ensure that your federal, state, payroll, and sales & use tax returns are filed on time.
- **Consulting** — our experts will advise you with regard to business succession planning, financing issues, mergers, acquisitions and sales, and technology (computer/software) issues.

- **Cash Flow & Budgeting Analysis** — we can forecast and evaluate your company's financial condition, estimate financing requirements and track cash flow sources and uses.

- **Retirement Plan Administration** — our financial planning experts and CPAs will help you plan for the future by developing the best retirement options for your business.

Experience You Can Count On

With over 15 years of experience servicing small and mid-size businesses, our CPAs, attorneys, compliance experts and consultants are uniquely situated to help your business maximize profits and eliminate administrative headaches.

Whether you are just starting out or have an established business, our CPAs, financial experts and consultants will manage your accounting, bookkeeping and financial planning issues so that you can focus on the success of your business.
